BZAN 545 Meeting Notes 11/21

-Discussed the Dashboard and API:
- – Nolan showed the group how we made the Dashboard
- – We updated the Dashboard to be visible in the presentation
- – We tasked Nolan with updating the dashboard to include options to group by region and shipping status

-Designed most of the slideshow for the presentation:
- – Nolan designed the completed tasks and intro slides
- – Felix and Noah designed the workflow and pipeline slides

-We discussed availability for our final meeting on 11/25 to practice the presentation
